

NOTICE TO WATER WELL DRILLING CONTRACTORS

Sealed proposals for Replacement Community Water Supply Well will be received at the office of the Brookshire Municipal Water District, 4004 Sixth Street, Brookshire, Texas 77423 (281-375-5010) until 2:00 pm, Friday, October 24, 2025. No bids will be accepted after that time.

The Owner is the Brookshire Municipal Water District.

The successful bidder will be required to enter into a contract with the Owner.

The major items of work include a well drilling, well logging, setting casing and screens, cementing, pump installation and development testing, electrical upgrades and controls, and well plugging.

An acceptable Surety Proposal Bond, in an amount not less than five percent (5%) of the largest possible total bid, including consideration of alternates, must accompany each bid as a guarantee that, if awarded the contract, the Bidder will promptly enter into a contract and execute the Owner-Contractor Agreement and bonds in the forms provided in the Contract Documents. Performance Bond, Payment Bond, and Maintenance Bond, each in the amount of one hundred percent (100%) of the contract price, will be required.

For public projects, not less than the minimum wage rates as prescribed in the General Conditions must be paid. The Owner has adopted the current City of Houston rates for Engineering Construction for this project.

The Owner reserves the right to reject any and all bids, to waive any informalities in bids, and to award the Contract to the bidder whose bid, in the Owner's judgement, provides the best value based on price and on the bidder's past relationship with the Owner and with other members of the Owner's team who will be involved in the project.

No pre-bid conference will be held, but interested parties may visit the site by first contacting the Owner at 281-375-5010. Bid documents will be available via internet at no cost from www.CIVCASTUSA.com.
