

BMWD

Brookshire Municipal Water District

BOIL WATER NOTICE

WILL BE IN AFFECT AS OF FRIDAY, AUGUST 14, STARTING AT 10:00 P.M.

We would like to inform you that on Friday, **August 14**, starting at **10:00 p.m.**, the BMWD will be repairing several hydrants.

WHAT TO EXPECT

During this time, customers may experience **low to no water pressure**.

In some areas, temporary **water discoloration** may also occur.

If discoloration is noticed after service is restored, please run **cold water** for several minutes until it clears.

IMPORTANT NOTICE

BOIL WATER NOTICES

will be in affect as of

Friday, August 14,
starting at 10:00 p.m.

Our team will be working diligently to complete these repairs and restore full water service as quickly and safely as possible. We sincerely appreciate your patience and understanding as we work to improve the reliability of our water system.

IMPORTANT INFORMATION – PLEASE READ

Please note that the flyer posted on the site serves as a **SECONDARY NOTIFICATION**; therefore, we ask that you rely on the **OFFICIAL BOIL WATER NOTICE** as the **PRIMARY SOURCE** of information.

Please see the attached Boil Water Notice for reference.

PERSONS THAT ARE IMMUNE COMPROMISED may want to consult their physician for additional advice.

We appreciate your patience as we work to provide safe, reliable water service for our community.
