

## **Community Announcement: Bond Authority Passed**

May 06, 2025

We are excited to share that our bond authority passed on May 3rd, 2025! This important step marks a significant milestone in our efforts to improve our infrastructure and address much-needed repairs.

We extend our heartfelt thanks to everyone who participated in the process and supported this initiative. Your engagement, input, and dedication played a vital role in helping us move forward toward a stronger, more resilient future.

Together, we are building a better community.
